

MPhil in Advanced Computer Science and Part III

Project Resources Form

Please fill in Part 1 of this form and attach to the back of your Project Proposal.

Part 1

A. Centrally managed Computer Lab research machines

If your project supervisor has agreed for you to use a Computer Laboratory research machine, please let us know the name of the machine, otherwise write "Not applicable".

Names of Unix machines

Names of Windows machines

Unix Group membership required

Special requirements
(Supervisor to advise)
to include filestore if in excess of
current allocation

Signature from machine owner:

Print name:

B. Specialist resources

This section is for *anything* that is not covered anywhere else on this form, including specialist hardware or software or unmanaged machines belonging to a research group. For each item we need to know who has accepted responsibility for providing it (this may be yourself).

I require specialist resources (tick applicable)

Yes No

CRSID:

College:

Supervisor:

C. Using your own Computer

I plan to use my own computer

The computer I will be using
for my project has the
following configuration
(e.g. 3 GHz CPU, 4 Gb RAM,
300 Gb Disk, Linux OS):

I accept full responsibility for this machine and I
have made contingency plans to protect myself
against hardware and/or software failure

D. Studies with Human Participants

If your project involves surveys, user studies, observation of humans etc, then please tick the box below and refer to the guidance at <http://www.cl.cam.ac.uk/local/policy/ethics/>

My project involves human participants.

I have submitted an ethics review form.

E. Declaration

To the best of my knowledge and belief, I have declared all of the resources I will need for completion of my project.
